1. I declare forth your glory, I declare forth your glory because you declare forth My glory, and My glory rides on your glory because I inhabit the praise of My people. And when you glory in My glory, My glory goes forth and you are not glorying in your glory, you are glorying in My glory.

2. And I thank you for glorying forth in My glory, and not bringing self-glory to you yourself, but you are reflecting Me in what I am doing, what I am saying, what I have done, and what I will do, and what I will do more and more, increasingly, acceleratingly, in My University of My New Covenant.

3. I am My New Covenant. I am Me. I am powerful. I am all powerful and there is none other beside Me. You will see, you will see, you will see and they will all see, everyone of you will see.

4. And no one will not know what I am doing in My University because no one will not know what I am doing in My New Covenant—moving My hand, sweeping My hand in innovation and creativity technology and networks that have yet to be revealed.

5. You have seen nothing like you will yet see that you will be involved in, leading leaders to me—leading many who will go forth in joy and laughter, freed by the power of the Cross, freed by the power of the blood, freed by My blood, freed by what I did, and what I am doing by My life—who I am.

6. I come and I call and I confirm, and I am bringing many from the west, the east, the north, and the south, and they converge in Tulsa in My weeks, in the WeekWorks that come forth around My globe. You will see and they will see and many will be involved and many will be freed and many will come to My Universities, to the Universities that make more Universities that will birth forth the freedom explosion, the freedom explosion, which births forth the leadership explosion in Me.

7. Freedom Ted. Thank you for seeking freedom. Thank you for your tenacity in seeking freedom, freedom, not taking no, not being defeated, and not being fearful of Me or My presence or of any power of evil forces which you have met, forces which you have yet to meet, forces which you will conquer mightily.

8. Now go forth graced, graced in My power, graced in My presence, graced at My knee, graced to bring grace and splendor to My freed ones who will walk in freedom and personify freedom as they personify Me. I love you and I bless you this day.

9. Have a great time with Tim, My chosen, My blessed, My family yet of Me. He will see, they will see, all will see. Let them know I love them deeply, dearly, always have, and always will, and I respect them. I bless them this day.

10. Now I love you. Go forth with joy and continue, continue to walk in the taking of authority, in the speaking in authority like you have done this morning.

11. All come, all comes, all is there, direct it, direct it, connect it, conduct it, and speak forth in the analogies, in the metaphors, but mostly in the power and might that I have given you that you have spoken and revealed this day.

It all comes, it all comes, it all comes now and it all comes together.

12. I am yours and you are Mine, and they are Mine, and I am thine and I am theirs, and we will be one and walk increasingly together in intimacy.

13. Thank you for bringing intimacy and freedom to My body. I love you. Have a great day.

Your Dad
Your Father
Your friend
Your creator
Your bosomed one.
Thank you.
Amen.
